

Support today, be *Inspired* for a lifetime

The future of Holistic Riding Equestrian Therapy depends on you. The increasing need for Equine Assisted Activities & Therapies, far exceeds class availability. Help improve the quality of life for the varied ability and Veteran communities.

We ask for your support to make our dream barn a reality.

Our priorities are to:

- **Replace** stall barn roof and skylights that leak
- **Replenish** HRET financial aid account for families struggling to afford the program
- **Replace** slippery turnouts with crushed ag lime
- **Install** arena heaters and gas lines
- **Install** industrial ceiling fans in stall and arena for comfort in summer
- **Add** water lines to outdoor turnouts (Volunteer plumber needed!)
- **Install** handicapped parking and cement trailer pad
- **Purchase** farm equipment; brush hog, track skid steer, manure spreader
- **Design** manure container and removal process

Please become a sponsor for our Country Western (CW) Fundraiser and help us rehab our new 10-acre, ADA compliant farm which allows HRET's curriculum to expand and increase the number of riders we serve.
